

Privacy Policy

Last updated: 01 Aug 2017

Cubro Network Visibility (Parent company Cubro Acronet GmbH) operates <http://www.cubro.com> (the "Site"). This page informs you of our policies regarding the collection, use and disclosure of Personal Information we receive from users of the Site.

By using the Site, you agree to the collection and use of information in accordance with this policy.

Collection of Data

While using our Site, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you. Personally, identifiable information may include, but is not limited to your name, email address and contact details.

Log Data

We collect information that your browser sends whenever you visit our Site ("Log Data"). This Log Data may include information such as your computer's Internet Protocol ("IP") address, browser type, browser version, the pages of our Site that you visit, the time and date of your visit, the time spent on those pages and other statistics.

In addition, we may use third party services such as Google Analytics that collect, monitor and analyze this Data.

Usage of Collected Data

Improve our services - We collect data primarily for purposes of administering, protecting and improving our Site and our systems, to identify server problems and to help personalize your experience on our Site.

Communicate with you - We may use your Personal Information to contact you with newsletters, marketing or promotional materials and to discuss your interest in our company, products and services we provide and ways we can improve them, and information on promotions and events.

Interactive Forums - The Site may provide interactive features (such as Blogs) that allow you to disclose information directly to others. Your participation in such forum is completely voluntary and should correlate with the degree of interaction you want to have with other users.

Business Partners - We may share your contact information with business partners, such as sales agents, system integrators, distributors, resellers and channel partners so they can provide you with information you have requested on a product or service, or to follow upon on a sales lead.

Cookies

Cookies are files with small amount of data, which may include an anonymous unique identifier. Cookies are sent to your browser from a web site and stored on your computer's hard drive.

We use "cookies" to collect information. You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, you may not be able to use some portions of our Site.

Security

The security of your Personal Information is important to us, but remember that no method of transmission over the Internet, or method of electronic storage, is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security.

Changes to This Privacy Policy

This Privacy Policy is effective as of (01 Aug 2017) and will remain in effect except with respect to any changes in its provisions in the future, which will be in effect immediately after being posted on this page.

We reserve the right to update or change our Privacy Policy at any time and you should check this Privacy Policy periodically. Your continued use of the Service after we post any modifications to the Privacy Policy on this page will constitute your acknowledgment of the modifications and your consent to abide and be bound by the modified Privacy Policy.

If we make any material changes to this Privacy Policy, we will notify you either through the email address you have provided us, or by placing a prominent notice on our website.
